The exhibition in a real art gallery made the children confident.
Rania Derraz El Kabir 11 years who lives in Cité Hellemans in the Marolles
“This is so cool, your place is so cool”. She did not want to leave.

All participants got certificates.

The certificates include information about what the participants have done in our workshops; the creation made, the techniques used and the thought process about the neighborhood.
The names of project partners also appears at the end of the document.

CERTIFICAT de participation

Décerné à Narjisse Zannou

Pour l'excellent travail de création fait dans nos ateliers de peinture et monotype avec l'artiste Adil Haouata à ifa laboratory cette année.

Nous avons parlé de créer ce que nous ressentons et aussi nous avons parlé du quartier où nous habitons. Qu'est-ce qui m'inspire ? Quels sont mes souhaits ? Comment puis je contribuer à mon quartier ?

Les ateliers créatifs ont été réalisés par Arts Lab Bxl, ifa laboratory et l'ambassade des Emirats Arabes Unis à Bruxelles.

Adil Haouata
Artiste et maitre de stage

Johanna Suo
directrice ifa laboratory
